II Grade in municipalities with effect from Council (vide G O no L 10088/110/mal dated 166 37-5 of 17 6 38)

3) These officers are recruited from among the officials of the following Services and Cadre

1) Revenue Dept — Rev Inspectors & Jr Shirastedars
2) Public Health Dept — Sanitary Inspectors
3) P W D — Overseer and Sub-overseers
4) G R S — I and II Division clerks
5) City and Town municipalities
6) District Boards

Govt have revised the Scale of pay of the above categories of officials as follows -

Taluk Shirastedars — Rs 80-5 90-6-150

Revenue Inspectors — Rs 60-5 90-6-150 (graduates)
Rs 40-2-50-3-80 (non-graduates)

Revision of the Scales of pay of chief officers

Revised Scales tentatively, if much difficulty is introduced for the Recruitment of suitable men as chief officers in future, unless these grades are also appropriately revised and made sufficiently attractive Also the general revision now ordered is apt to result in certain officers subordinate to the chief officers drawing a pay approximating that of the chief officers themselves or more, thus creating a really anomalous position The necessity for a revision of the Scales of pay of chief officers is therefore seen to be urgent

5) Though the chief officers belong to the Municipal Service and are paid from the Municipal funds, under Sec 209 A of the Mysore Town Municipalities Act 1933, Govt have Reserved for themselves the power to Regulate the methods of Recruitment, Condition of Service, pay and allowances and discipline and Conduct of these officers Since the revision of the Scales of pay of this cadre has been excluded from the purview of the pay Revision Committee this question has got to be taken up Separately now

6) The following Revised Scales are proposed for consideration which would not

Revision of the Scales of pay of chief officers only seem appropriate considering the onerous nature of the duties and Responsibilities involved on these officers, but would also help maintain the old parity that existed between the several grades in other cadres of the Services

I grade chief officers - Rs 150 - 10 - 200
II — " — — Rs 125 - 5 - 150 or 120 - 6 - 150

7) The extra cost to be borne on account of the proposed Revision would be Rs 66/- per mensem in the case of I class Municipalities and Rs 23/- p m in the case of II class Municipalities

8) At present a Conveyance allowance of Rs 10/ p m is granted to these officers for maintaining a cycle, a higher allowance being given in Special cases, if the officer is required to keep a motor cycle or a horse. It is understood that varying Rates of Conveyance allowances are drawn in different Municipalities, irrespective of the kind of Conveyance maintained. It may not be possible to prescribed the particular kind of Conveyance to be maintained in the case of officers in the non gazetted cadre. The question of C A to be paid shall be conform and adequate to Reimburse the officer of the expenses to be

Revision of the Scales of pay of chief officers

incurred on Conveyance either owned or hired Hence it may be Reasonable to fix the Conveyance allowance payable at a flat Rate of Rs 50/ p m in the Case of Chief officers of the I grade and Rs 25/ p m in the Case of chief officers of the II grade

9) Weightage for Service now may also be called for which has been given to all officials of Each the following Rates of advance increments are proposed for consideration

Rs a Service below 3 yrs in the grade — no increment
Rs a Service of from 3 to 5 yrs — one increment in the grade
" " 5 to 10 yrs — two increments in the grade
" " ten years & above — three increments

10) For calculating weightage Service in the grade as proposed as these are temporary appointments and the officers cannot the benefit in their permanent depts also

11) The proposals are briefly summarised below

i) Revising the Scale of pay of chief officers as follows

I grade — Rs 150 - 10 - 200
II grade — Rs 125 - 5 - 150

2) giving a fixed C A of Rs 50/-

to I grade chief officers, creation Rs 25/ PM

to II grade chief officers, irrespective of the cadre of Conveyances maintained

3) giving weightage as proposed at para 9 supra for selected men

13 It is for consideration whether the heads of the Revenue, Public Health and Engineering Depts may be consulted in regard to the grades that is to be given to the Chief Officers

Cadre

16) According to the q referred to above, two grades of Chief Officers are constituted as follows.

a) First grade on Rs 100 - 5 - 125 — to draw rations for one camel if in charge of 3000 lbs weight

b) Second grade on Rs 80 - 4 - 100 to draw rations for one camel if in charge of 3000 lbs weight

17) There are 15 Chief Officers in the Separate Establishment of which 10 are First grade & 5 Second grade Mrs is exclusive of the Chief Officer of the Fire Brigade & an Assistant in the Dawanapore Town Duty.

18) For eligibility it has been prepared three recently - and promotions Mr Fenton with Separately

19) The question for consideration is what revised scale if any should be given to the Chief Officers & Assistant Officers in order to enable those who are doing working as such to keep on and also to make the posts attractive enough

Reasons for the Scales of pay of Chief officers

1814/nil

1) The officers of the Several Depts from which these Offices are drawn have been recently revised in accordance with the recommendations of the Pay Commission. But as the first Scale themselves fixed the pay of the cadres of Chief Offrs, no reference was made to the Pay Commission in this behalf

2) We propose to revise the Scales of pay of the Chief Offrs, in order to make it commensurate with the duties & responsibilities attached to these posts

3) The Scale of pay of the Chief Offrs who are Statutory Offrs has to be revised, Consistent with their Statutory prestige and the work which they are expected to turn out further, they should be in receipt of a higher Scale of pay than those Subordinate to them. The Deputy Chief Inspectors of the Railway Boards who would have been Chief Offrs of Railways should be in receipt of pay have been revised in order accordingly be in receipt of a higher Scale of pay

1814/ml

Revision of the Scales of pay of Chief officers

(73) The pay of the Chief officers & the Assisting officers is met by the Municipalities Many of them are not in a position to pay liberally Hence any suggestion made or approved should be such as to suit the pockets of these Local bodies

Having regard to all the circumstances of the case as set forth above, it may be desirable to have one grade of Chief Assessing officers instead of two as at present on a grade of Rs 100 — 8 — 180 p.m.

The minimum should be Rs 100 at least the scale of increment should be 8 per at least, every fifth year that of either a clerk (if he happens to be a graduate) or a Revenue officer or the Sanitary Inspector or the Sanitary Inspector

The above cannot be considered to be beyond the capacity of any Municipal Council which wants

Revision of the Scales of pay of clerks

to Form a Clerical Cadre

24) As regards the Conveyance allowance it is now fixed at Rs 10/- per mensem vide G.O dated 17.6.1938 of Abkigalu is maintained But in actual practice there are instances wherein the Secretary Conveyance allowance paid is Rs 25- or 35- per mensem It would be desirable, having regard to the nature of work to be done by these officers that the Conveyance allowance fixed at Rs 25/- p.m. irrespective of the nature of conveyance maintained

The above proposals are forwarded

S.G.S. 2/12 2/12 29/11/47

25) What are the scales of pay of the various grades of S. Ds as per revised scales? & What is the C.A. now given to them

2/12/47

26) The Revised Scales of pay of Sanitary Inspectors are added at para 3 Supra and are as follows -

Senior grade - Rs 80-4-120
Junior grade - Rs 45-2-90

Revision of the Scales of pay of Chief officers
2011/III

27) The rate of Conveyance allowance to these Officers is ascertained to vary from Rs. 5/- per mensem to Rs 25/- per mensem depending on the place they are working

Respectfully
B/11/67

28) In view of the facts stated in the Assistant Secretary's note above, it is very desirable that the present scales of pay and allowances of these Chief Officers should be suitably revised In order to suit the financial ability of the different grades of Municipalities, it is desirable to have two grades in the cadre viz , 1st grade and 2nd grade.

29) The pay of the 2nd grade Chief Officers may be fixed at Rs 100-6-130 and the pay of the 1st grade Chief Officers at Rs 130-8-170 As even the pay of the Revenue Inspectors and Sanitary Instectors has been enhanced, it is desirable that the pay of the Chief Officers also should be suitably revised

So far as the allowance is concerned, all the Chief Officers irrespective of their grade may be given Rs 25/- per mensem each

These proposals are for orders

This being a schedule matter requires consideration in Council or disposal by circulation

Subject Revision of Pay of Chief and Assessing Officers

A separate cadre for Chief Officers and Assessing officers for work in Town and Minor Municipalities was formed in G O No L10088-110/38 166-37-5 D/17-6-38 and two grades were created for them as under -

1) 2nd Grade Rs 80-4-100

2) 1st Grade Rs 100-5-125

2 Officers of the I grade are employed in Municipalities with an income of above Rs 50,000 per annum and officers of the second grade in Municipalities with an income below the said limit

3 The appointments of these officers ~~of the~~ are made out of an eligibility list prepared from among the officials of the Revenue, Public Health, P W D and other departments of Govt who have duly qualified themselves by passing among other local tests the L.S.G. examination also

4 The scales of pay of the officials in the several departments of Govt. from which these officers are drawn have been recently revised in accordance with the recommendations of the Pay Revision Committee But as

the Government have themselves fixed the pay of the cadre of Chief officers and Assessing Officers, no reference was made in this behalf to the pay Revision Committee

5 In view of the general revision of the scales of pay of the several classes of non-gazetted employees in the different departments of Government, it has become necessary to revise suitably the scales of pay of the Chief officers also in order to induce those who are already working as such to keep on and also to make the post attractive enough for the new entrants into the Cadre

6 Further, the scales of pay of Chief Officers who are Statutory officers has to be revised consistently with the status they enjoy and the work which they are expected to turn out. They ought also to be in receipt of a higher scale of pay than those of their subordinates such as the Sanitary Inspectors, Revenue Inspectors and the Sub-overseers, who will be working under them At the same time, another factor to be

considered is that the Local Bodies where they work cannot generally afford to pay lavishly

7 Having regard to all the circumstances of the case as set forth ~~out~~ above and the financial ability of the Town and Minor Municipalities in the State, it is proposed to revise the scales of pay of Chief Officers and Assessing Officers as follows: —

(1) 2nd Grade — Rs 100-6-130

(2) 1st Grade .. Rs 130-8-170

8 The Financial Secretary is in agreement with the revised scales proposed and also to apply to these officers the general concessions regarding weightage, etc, sanctioned to the N.G O's of Govt departments.

The appointments of these officers are made out of an eligibility list prepared from among the officials of the Revenue, Public Health, Public Works Departments and other Departments ~~by passing~~ who have duly qualified themselves by passing among other local tests, the local self-Government Examination also.

4. The scales of pay of the officials in the several Departments of Government from which these officers are drawn have been recently revised in accordance with the recommendations of the Pay Revision Committee But as the Government have themselves fixed the pay of the cadre of Chief Officers and Assessing Officers, no reference was made in this behalf to the Pay Revision Committee.

5. In view of the general revision of the scales of pay of the several classes of non-gazetted employees in the different Departments of Government, it has become necessary to revise suitably the scales of pay of the Chief Officers also in order to induce those who are already working as such to keep on and also to make the posts attractive enough for the new entrants into the cadre.

6. Further, the scales of pay of Chief Officers are statutory officers has to be revised consistently with status they enjoy and the work which they are expected to turn out. They ought also to be in receipt of a higher scale of pay than those of their subordinates such as the sanitary Inspectors, Revenue Inspectors and the Sub-Overseers who will be working under them. At the same time, another factor to be considered is that the local bodies where they work cannot generally afford to pay lavishly.

7. Having regard to all the circumstances of the case as set forth above and the financial ability of the Town and Minor Municipalities in the State, it is proposed to revise the scales of pay of Chief Officers and Assessing Officers as follows.-

1. II Grade .. Rs.100-6-130
2. I Grade .. 130-8-170

8. The Financial Secretary is in agreement with the revised scales proposed and also to apply to these officers the general concessions regarding weightage, etc., sanctioned to the Non-gazetted officers of Government Departments.

9. The Minister for Local Self Government and the Dewan to whom the file was submitted have approved of the above proposals.

10. The Chief Minister who is in charge of the duties of the Dewan having ordered the disposal of the matter by circulation, the above note is circulated to the Ministers.

MUF SECT No F 3049 TERM ENT

Through

The President,
Town Municipal Council,
DODBALLAPUR.

Sir,

In continuation of my representation dated 5-8-47 requesting the Govt to kindly consider regarding the revision of scale of pay and previleges of Chief officer and assessing officers in the state in view of the hard times I beg to state that the Govt have not taken up the c cases of Chief officers and assessing officers in revising their pay though the pay of all the non Gezetted officials of all departments has been revised with effect from 1-1-47 The appointment of Chief officers and assessing officers are made by Govt and as such the revision of pay of these officers has to be considered by Govt only as in the case o of all other non Gezetted officials in the state It is very unlucky that we i e Chief Officers and assessing Officers have not been given the benefit of the revision of scale of pay while the scales of pay have been revised and give effect to in the case of all other officials in the state

As already represented in my previous application dated 5-8-47 I request that the pay and the conveyance allowance of all Chief officers and assessing officers may kindly be increased to Rs 125-5-150 Plus 25/- conveyance allowance P M and Rs 150-25/2- 200 plus Rs 50/- C A P M in accordance with the relative scales of pay revised in case of all other non Gezetted officers

Further, The preveleges and status of Chief Officers and Assessing Officers as represented in my previous applicatinn dated 5-8-47 may kindly be considered and ordered by Govt in the interests of the Chief Officers and Assessing officers

As I also belong the same catogary of officers I beg to approach the Govt once again with the above appeal having full hope that the Govt will be pleased consider more sympathetically and enhance the pay and conveyance allowance as prayed for and the same to be given effect to from 1-1-47 as it has been ordered in case of all other Govt officials in the state for which act of kindness I shall ever remain grateful

I beg to remain
Sir,
Your most obedient servant,

To

The Secretary Revenue Department

Bangalore.

Through The Deputy Commissioner,-

Bangalore District, Bangalore.

Through The President,

Municipal Council, Channapatna.

Respected Sir,

The undersigned begs to state as follows:-

While revising the grades of the non-gazetted officers of the several departments, the question of Chief Officers have been completely omitted.

The existing two grades of chief officers and Assessing officers are Rs.80-4-100 plus conveyance allowance of Rs.10/- and Rs.100-5-125. plus Rs.25/- conveyance allowance. Now that the grades of all the non-gazetted officers have been revised, it is but fair to consider the cases of Chief Officers and Assessing officers. While doing so, I beg to request that the following few points may kindly be considered.

1. The appointments as they are, are tennure appointments. The appointments may be made permanet so that the benfit of pension may be obtained.

2. The nature of work of Chief Officers are such that they are entirely responsibble for all Municipal works such as collection administrative, sanitation, correspondance Etc. and they are head of Municipal Office.

3 The Sanitary Inspectors and The Revenue Inspector who are expected to work under the direction and control of these officers in the Municipalities are given the grades of Rs.80-4-120, and Rs.90-6-150 respectively.

In consideration of the facts that the subordinate officers such as Sanitary and Revenue Inspectors are given up to Rs.120/- and Rs.150/- respectively and in consideration of greater responsibility that the Chief Officers have, the grades of these officers may be well considered and placed above the rank

2011 Jul.

of the Sanitary Inspectors and Revenue Inspectors at least.

It may not be out of place if, I mention that it is Govt. appointment with some statutory powers delegated as per Municipal Act. In view of all these facts the pay of the x appointment may kindly be fixed as such that, they may get a higher grade than their subordinate officers.

I beg to remain,
Sir,

Your most obedient servant

on the pay of Chief officers ~~has~~ ~~introduced obvious practical difficulties~~ as without such revision, the future Recruitment of suitable and experienced Candidates to these appointments ~~or even to attract those who are such to keep on on the post~~ would be difficult

God therefore consider that the Scales of pay of Chief officers and Assoming officers who are Statutory officers has to be revised consistent with their Status and the work which they are expected to turn out. ~~and~~ they are accordingly pleased to ~~order~~ direct that their Scales of pay be revised as in the margin in order that these appointments are made attractive ~~enough to for~~ enough to those who are already working as such to keep on and also to facilitate future Recruitment

First grade - Rs 130-8 170 p.m.
Second grade Rs 100-6 130 p.m.

The instructions issued in the matter of fixing the pay of incumbents in the revised Scales of pay to the employees of the different departments of Govt. apply mutatis mutandis to these officers also.

2 Government Order No Fl 2010 70— S & A 25 47 6 dated 21st September 1947 sanctioning the revision of the scales of pay of the several classes of Non Gazetted Employees in the different departments of Government on the proposals of the Pay Revision Committee

ORDER No L 17102 27—ML 48 47 35, DATED BANGALORE, THE 25TH MAY 1948

The cadre of Chief Officers of Town Municipalities was created in G O No L 10088 110 -Ml 166 37 5, dated 17th June 1938, read above There are now two grades of Chief Officers, the first grade on a pay of Rs 100—5—125 and the second grade on Rs 80—4—100 per mensem The Assessing Officers appointed for the revision of assessment on lands and buildings in Town and Minor Municipalities are also drawn from the same cadre

The services in the local bodies not having been brought within the purview of the recommendations of the Pay Revision Committee, the scales of pay of Chief Officers who are appointed by the Government from time to time among the officials of the Revenue, Public Health, Public Works and other departments of Government were not revised

The improvement of the scales in the other departments of Government necessitates similarly a proportionate increase in the pay of Chief Officers, as with out such revision the future recruitment of suitable and experienced candidates to these appointments would be difficult

Government therefore consider that the scales of pay of Chief Officers and Assessing Officers who are statutory officers has to be revised, consistent with their status and the work which they are expected to turn out They are accordingly pleased to direct that their scales of pay be revised as in the margin in order that these appointments are made attractive enough to those who are already working as such to keep on and also to facilitate future recruitment
